Objectives & Guidelines:

- ✓ Association will provide platform for organic producers and buyers at one roof.
- ✓ Consumers will get assured organic produce for consumption.
- ✓ Association will keep close monitoring with farmers.
- ✓ Strengthening capacity of farmer through agricultural best practices.
- ✓ To promote organization of marketing chain both for domestic and export marketing.
- ✓ To influence Government policies for agriculture, thereby increasing the flow of resources and augmenting the rate of capital formation in agriculture sector.
- ✓ Ensure access to the usage of quality input and services for intensive agriculture production.
- ✓ The aim is to enhance farmers' competitiveness and increase their advantage in emerging market opportunities.
